Dear Sir/Madam,

On behalf of our dedicated secretariat, conference staff, and school, it is our pleasure to invite you to the third annual Ontario Model United Nations at Upper Canada College. This year the conference will be hosted from April 7th to April 8th, 2018.

Continuing from our successes last year, we are committed to providing delegates with a conference experience that will suit a wide range of Model UN experiences and interests. OMUN committees will focus not only on some of the most pressing issues of today, but also on those of the past and future. OMUN will have innovative crisis committees, interactive General Assemblies, and debate-filled Specialized Agencies, provide stimulating committees tailored for delegates of all levels. Delegates should look forward to a weekend of exciting debate and negotiation, as well as challenges that will force them to think critically.

This guide has been carefully constructed by our conference staff to give advisors and delegates all the information needed to attend OMUN III. If you have any questions, you can contact the Secretariat at [omun@ucc.on.ca](mailto:omun@ucc.on.ca), or visit our website at [omun.ca](http://omun.ca).

We hope you will join us once again at OMUN III.  
See you in April!

Sincerely,

Aryan Paliwal  
Secretary-General

Conrad Mahony  
Secretary-General

## Country & Committee Assignments

OMUN will be accepting committee requests for the conference this year, but will not be taking requests for countries. While we will do everything in our power to grant these requests, it will unfortunately not be possible to fulfill them all. Factors such as the size of your delegation, previous attendance at OMUN (or its predecessors, OMP and UMUN), and of course the date of registration will all be factored into decisions regarding countries and committees. Quite simply, applying earlier will increase a delegation’s chances of receiving their preferred committees, as well as more powerful country assignments.

With that being said, the organizers of OMUN, as seasoned MUN delegates themselves, know that it can sometimes be difficult to compete in large committees as a small country. That is why we believe it is imperative that, in the spirit of the United Nations, each delegation is given an equal opportunity in committee to speak, participate, learn, lead, and succeed. We hope that all delegates can take something truly valuable away from OMUN, whether they are a Security Council “P5” country, or are representing a nation that they have never heard of before. Similarly, we hope that each delegate will apply themselves with vigour to the assignment they are given, regardless of whether it is consistent with their pre-conference request.
